:: Conference Invitation

Globalization and the Evolution of Asian Economy International Conference on Asian Economy, 2010

Department of Economics Korea University at Sejong

The Department of Economics of Korea University at Sejong is pleased to invite you to its 2010 International Conference on Asian Economy, to be held on its campus on May 13–14, 2010.

This conference is specially dedicated to celebrate the 30th anniversary of Korea University–Sejong campus.

Distinguished scholars are drawn from various Asian countries, including China, Japan, Malaysia, Vietnam, and Korea to present their recent research.

Topics of presentations cover diverse fields of economics. Not only innovative research with theoretical or empirical emphasis but also descriptive discussion on economic environment of a specific region will be presented. We hope that this international conference will provide an opportunity to share our knowledge and exchange ideas. You are cordially invited to this conference to present your valuable opinions and ideas.

Your participation will be much appreciated.

Thank you.
